Introduction

Neuropath Behavioral Healthcare offers a **Domestic Violence Initiatives Internship** supporting our Women & Children Safety Program, based out of our Union, NJ call center.

Interns gain hands-on experience in crisis response, referral coordination and case management as part of our Resource & Referral Hotline and Domestic Violence Program.

Program Overview

> This internship is structured to:

Interns provide trauma-informed support, safety planning and referrals to shelters, legal aid, hospitals and counseling. The role is administrative and call center-based, with training in hospital response protocols — including domestic violence evidence kits — and preparation toward a recognized Domestic Violence Case Management Certification.

LEARN MORE!

Key Responsibilities

- Answer hotline calls in a trauma-informed, confidential manner
- Conduct basic risk assessments and safety planning
- Refer callers to shelters, legal services, law enforcement or counseling
- Document contacts and maintain accurate case records
- Maintain referral databases and outreach materials
- Join call center briefings and clinical debriefs
- Train toward Domestic Violence Case Management Certification
- Accompany staff during urgent hospital-based interventions when needed

› Preferred Skills & Experience

- Strong communication and composure in crisis interactions
- Ability to maintain strict confidentiality
- Cultural sensitivity and trauma-informed mindset
- Accurate documentation habits
- Bilingual in Spanish, Haitian Creole, Portuguese or Arabic strongly preferred
- Interest in completing formal certification
